Women's Health & Cancer Rights Act Notice

In the case of a covered person receiving benefits in connection with a mastectomy who elects breast reconstruction, coverage will be provided in a manner determined in consultation with the attending physician and the patient for:

- Reconstruction of the breast on which the mastectomy was performed
- Surgery and reconstruction of the other breast to produce a symmetrical appearance
- Prosthesis and treatment of physical complications at all states of the mastectomy, including lymph edemas
- Deductibles, coinsurance, and co-payment amounts will be the same as those applied to other similarly covered medical services, such as surgery and prosthesis
