

OUR PROMISE TO PROTECT *the vulnerable*

A look at Diocese of Manchester training programs

All Adults

We provide training to teach adults how to recognize and prevent abuse and how to report concerns.

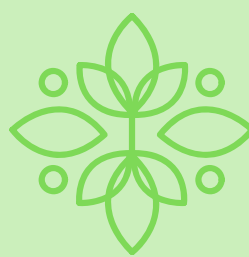

Teachers & Coaches

Catholic school staff and coaches receive information and training about appropriate boundaries with youth.

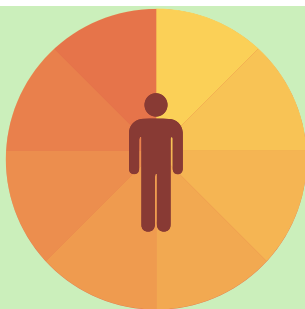

Children & Teens

We teach kids about personal safety, including identifying trusted adults, respecting self and others, and staying safe in person and online.

Teen Volunteers

A curriculum is available for teaching teen volunteers about appropriate interactions with minors they assist.

Parents

Educational materials and tips for keeping kids safe are available through our online training platform and on our website.
