Most Reverend John B. McCormack
Diocese of Manchester
153 Ash Street
P.O. Box 310
Manchester, NH 03105-0310

Bishop McCormack,

The purpose of this letter is to advise you that the information requested of the Diocese of Manchester for the recent data collection audit has been received by the Gavin Group, Inc. We have reviewed the documents and forwarded them to the Secretariat of Child and Youth Protection for utilization in the 2008 Audit Report.

Since 10% of the children to be trained were absent on the day that the training was offered, it is suggested that consideration be given to increase the number of training days.

Based on the fact that your Diocese was found to be compliant with *The Charter for the Protection of Children and Young People* as the result of 2007 Full Audit, this finding of compliance will be continued for 2008. The next time your Diocese receives a full on-site audit, the issue of compliance with the *Charter* will be addressed in detail.

Sincerely yours,

WAG
William A. Gavin
