

## “Know the Rules”

Be safer online and offline too. Remember these rules and you'll know what to do.  
Check first. Take a friend. Tell people no; and tell a trusted adult.  
Now you're ready to go.  
Boys and girls, its Clicky...

I'm back. What's up, Jack?  
It's Clicky on the mic with a safety rap.  
1, 2, 3, dance with me.  
C'mon kids, here we go. Yippee!!!!  
Being safer online is what I'm all about.  
Use your NetSmartz, UYN, no doubt.

But you've got to be safer when you're not online.  
If you're walking down the street or if you're ever asked to...  
Get in a car, or help someone, accept anything, or leave with anyone.

Check first, with an adult you trust, like your parent or guardian.  
Now that's a must.

Now this is the part where you learn to say “no,”  
if anyone ever makes you feel...  
uncomfortable, bad, scared, or confused.  
You have the right to say no, the right to refuse.

Be safer online and offline too.  
Take a friend with you, whatever you do.  
But remember, you are strong and smart.  
You have the right to be safe.  
Now here's the last part.

If anything happens, it's never your fault.  
Tell a parent, guardian, or a trusted adult.

Some people out there are not who they seem.  
They pretend they are nice when they're really very mean.  
So listen to my rap; tell your friends too.  
Remember these rules and you'll know what to do.  
Check first. Take a friend. Tell people no; and tell a trusted adult.  
Now you're ready to go.

My name is Clicky and I like to rhyme;  
So before I go, say it one more time.  
Check first. Take a friend. Tell people no; and tell a trusted adult. Now you're ready to go.
