

2020 VBS Resources & Support Virtual & At Home Programs

With the effects of COVID-19 continuing to unfold each and every day, you may be wondering what's going to happen to VBS this summer. We know there is a lot of uncertainty about how and when, but we are committed to serving churches in their mission of making disciples. Below please find helpful resources and support for bringing VBS to your parish families, either remotely or at home.
