*Men and women are created in the image and likeness of God ... They form the basis of the family as a community of persons united in love.*

- POPE ST. JOHN PAUL II  
Letter to Families, 1994

Becoming engaged is a deeply significant step that requires both spiritual and practical preparation for a lifelong commitment to love, honor, and support one another.

This sacred commitment we call marriage was elevated by Christ to a sacrament. In a sacramental marriage, the couple receives unique graces to help fulfill their marital vows and grow in fidelity, devotion, and love throughout their lives.

During this time of engagement, the Church is here to support you. Your parish and the Diocesan Office of Family and Respect Life is honored to help you "form a home of your own."
