

SUFFICIENT GRACE:

The Mission of Marriage in a Wounded World

In a culture that's tired, divided, and quietly aching, God still speaks through something simple and brave: a husband and wife learning to love.

This retreat is for all married couples, newlyweds, seasoned couples, joyful couples, tired couples, anyone who wants their marriage to be more than survival or routine. Together we'll reflect on the truth that marriage is meant to make God's love visible, by letting Christ shine through the real places where we are imperfect and in need of His Grace.
