ADDENDUM TO SAMPLE TRANSITION MODELS

As you begin to prepare the transition model for your parish, it is important to note that beginning in September 2018 through June 2019 year, all third graders must celebrate Confirmation. You cannot defer their Confirmation to a later year.

Based on the size of the other grades in your program, you can then determine which ones to include in addition to third graders (e.g. 10th, or 9th & 10th).

Since each parish has different student enrollment, you can transition the remaining grades in a manner that works best for your parish community over the next two years—2019-2020 and 2020-2021.

Please feel free to contact the Office of Catholic Formation if you have any questions or need assistance.
