the Hope that is Christ

We have prepared a presentation for your parishes and small groups to help them understand Bishop Libasci's initiative.

The presentation consists of:

- A brief introduction to the sacraments
- An overview of some of the history and theology of the Sacraments of Initiation
- An exploration of Restored Order and its significance for lifelong faith formation

A team of two directors in the Secretariat for Catholic Formation will offer this 75-120 minute presentation.

It will include prayer, the presentation, and time for questions and answers.

Consider offering this presentation:

- After your last Mass on Sunday for parishioners
- An evening or daytime presentation for the parish that includes parents and families of children in your faith formation programs
- For pastoral council, groups of liturgical ministers, catechists, parish staff
- Or any group of your choosing
